

Functions & Events

About Us

Established in 2010, Masque is a Venetian inspired functions and events venue.

The vision behind Masque was to encapsulate the Carnival of Venice from the 13th Century, in which masks were worn at carnivals to eliminate prejudice on social class. The wearing of masks made everyone equal, even just for one day.

Since opening in 2010, Masque has become one of the most sought after venues in Melbourne for hosting those special events. The milestone occasions that are important to you; engagements, weddings, birthday celebrations, corporate events. We specialise in creating an ambience that allows your event to be enjoyable, memorable and above all fun and entertaining, giving you and your guests an unforgettable sensory experience.

The Venue

Our decadent space encapsulates elegance, beauty and sophistication. The venue features ornate furnishings, an antique chandelier, and an amazing marble top bar.

Masque's versatility and open plan space can be transformed to suit all occasions from corporate events to private celebrations. Accommodating up to 200 guests for cocktail events and seating 70 guests comfortably, we can tailor an event to suit all requirements.

Our semi outdoor smoking room is the most visually appealing smoking room you'll ever see. The smoking room is part of the venues function space and is only separated by a semi glass wall allowing smokers to feel part of the occasion. The useful advantage of this area is that your guests do not have to venture downstairs, outside or into a closed off section, whilst still enjoying a beverage or a conversation without the disruption of music or noise from the function.

Our highly experienced team provides exceptional service, along with mouth-watering canapes options, and an extensive selection of beverages.

Whatever your occasion may be, we will work with you, adding our creative experience to deliver an event to remember.
